Dear Assisted Living Facility Providers,

Attached is an email from Karen R. Jackson, Deputy Secretary of Technology for the Commonwealth of Virginia. This survey will only take about five minutes so I hope you will respond. The information you are providing is an important contribution and part of a larger project. This is apparently the third year of the survey but the first time that assisted living facilities have been included.

I hope you will take a few minutes to participate.

Thanks,  
Lynne
